PROFESSIONAL EXPERIENCE

DESIGNATION   - WEB DEVELOPER AND PHP DEVELOPER   **01/04/ 2023 - Present**
Gagan Apps   - Guntur District , Mangalagiri Bypass near NSR Villa's

At Gagan Apps, I worked as a PHP Developer and maintained five projects over the span of one and a half years. Initially, I interned for three months and then secured a full-time position with the company. Throughout my time handling these projects, I gained a substantial amount of experience and honed my skills, contributing significantly to the company's success.

Participation in Company Activities
- Regularly conducted classes on backend programming and technologies such as AJAX and jQuery during free time, enhancing team capabilities and fostering a collaborative learning environment.
- Took the lead in strengthening the company by sharing knowledge and skills with colleagues, promoting a culture of continuous learning and improvement.
- Maintained and managed five backend projects over the span of one year, ensuring their successful completion, functionality, and alignment with client requirements.
